SCHOOL IS:

work and dedication to produce a 1971 FIFE AND DRUM. Our first volume was one of the finest yearbooks ever produced by a new school due to the long hours and hard work put forth by the staff members. As a token of our appreciation, we wish to dedicate the 1972 FIFE AND DRUM to the hardest working staff member in 1971, Mrs. Lynne Hyde.

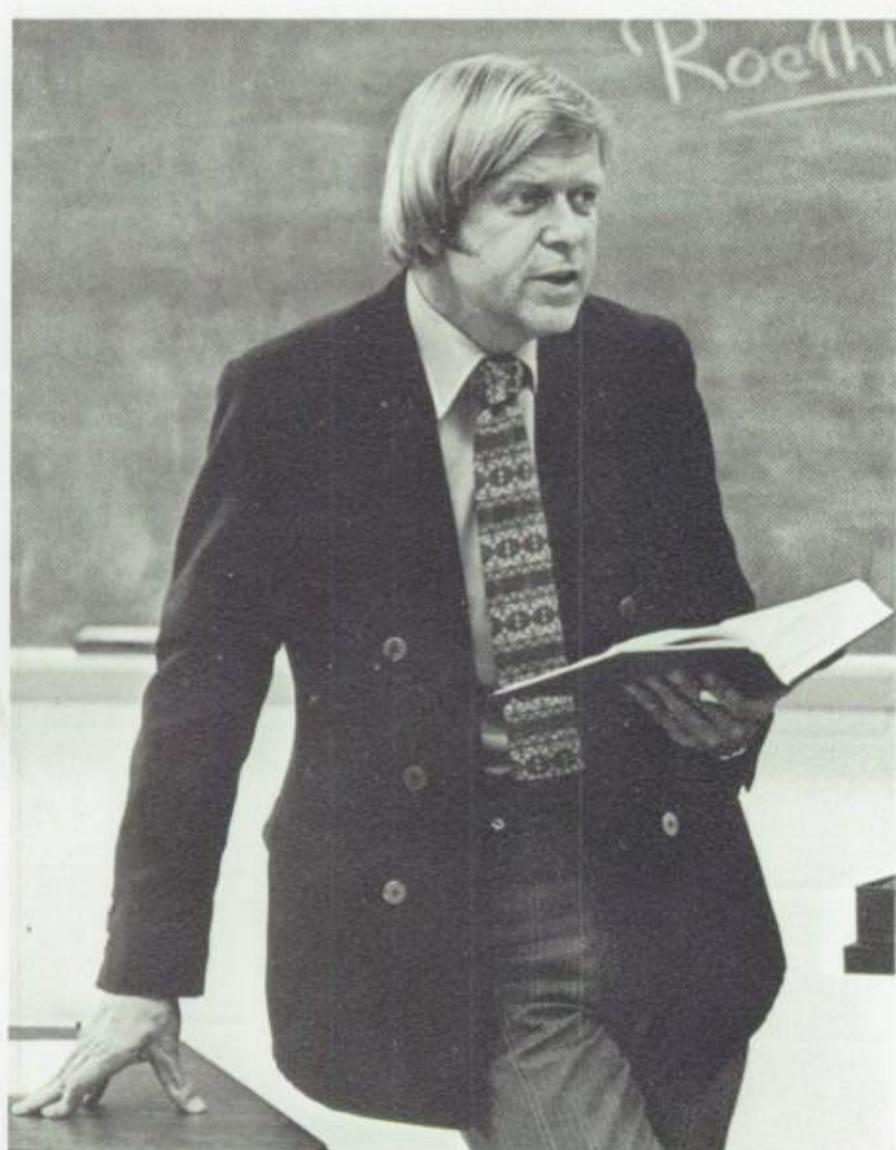

"Give me a P"

WELCOME  
BACK TO ANOTHER  
YEAR

"We are the Patriots from good ole Wootton High!"

Rod Jellema - the visiting poet

Dear Dr. Jellema,

Due to circumstances beyond our control, Monday has been cancelled, thus eliminating the Monday Blahzzz. Responding to popular demand, Thursday will fall in Monday's time slot. So next week will have Thursday, which falls on Monday, followed by Friday, which by the way, comes on Tuesday.

If you think you have problems remember Robinson Crusoe whose Friday brought him sundaes on Saturdays because he was Thursday (thirsty). This by the way, went with his eggs which were fried Sunday side up. (Amen)

If you are still confused, you have two choices 1) join the club or 2) sleep through all next week and pray.

Thank you for your time,  
Sunday Steve, Tuesday Ted and Who  
Knows Howard

P.S. Don't you think the guys who wrote this letter are really "prose" at it??

LOOKING  
OUT THE  
WINDOW  
AND  
WISHING  
YOU WERE  
THERE

Wilbur,

It has been nice knowing you this year in art. Sometimes you bugged me but all in all your pretty nice (I still feel bad about kicking you when we were building that snowman). I had fun with you and Karen down in Wash on our art field trips.

Dear Will,

It was lots of fun talking and "messing around" in English this year. Even though I didn't learn any English (thanks to chickenhead) I really had fun playing cards and discussing "important" issues of the times with you. I hope you enjoyed it and I hope you do something good this summer. I'll always remember you whenever I meet a Wilbur or a Boowell or a Payne - unfortunately I don't meet them too often so I'll remember you other times to like when I'm in libraries or buying Judycals or playing pool. See you next year! Well then - Have fun ~~fun~~ <sup>fun</sup> Karen P.S. JNG 802 28 9/86

Will (again)

Well, another year has finally over - no more Mrs. Boone, Sandburg, or popcorn in Shuttles. Or been really fun this year - never forgot good old Mrs. Hyde - and her fantastic English class (which we learned so much). Had a really fun summer and will see you next year (in Sandburg's class again). I'm glad you like my Elephant drawings really. Trickster  
P.S. - I'll get you back for getting me all troubled in Sandburg's class (never forget those beautiful 'study sheets')

Summer vacation  
will be fun  
and we will be  
at the beach  
and have fun  
and fun

Willow  
I do a lot of history making  
you're more interested  
in theater though  
History has been fun though  
I like a more present  
History because it's more  
interesting  
I think you're right

Wilbur,  
What was something  
else-English was  
bearable - at field  
types were fun. Why?  
Because some guy whose  
name I've already mentioned  
put like and fun into it.  
Stay sweet, Wilbur say ya  
next year.

Debbie

I hope you'll  
remember you'll  
week, too. Please  
next year. Maybe  
in the same will be  
the truth is "Wilbur is  
a sweet boy," - oh. I  
don't know what to write.  
And have a nice summer  
fall & I'll see you in the

Debbie

Bill

Willie,  
We didn't see much of each  
other this year, but next year,  
baby, you just wait, when I  
get 4th grade lunch and inter-  
act, I'm going to bug you every  
day. So Watch Out! Anyways  
have a good summer (I might  
come to visit you) Ha! Ha!  
Good luck always.

Lots of love,

May 21 72

Dear Cooper,  
Your not really too much hot
